### **About Camp Meriwether**

- ★ Camp Meriwether is located on the scenic Oregon Coast, one of the only Boy Scout camps to feature an ocean beach. Tall evergreens and plentiful wildlife abound. Blue skies and warm coastal breezes attract many Scouts to this premier Scouting camp each year. The mighty Pacific Ocean provides the dramatic backdrop for this full service camp with 2 miles of private beach.
  - o Lake Chamberlain, a fresh-water lake for swimming and boating, a trading post
  - o .22 rifle range, a shotgun range, an archery range, a black powder range
  - o Scoutcraft, handicraft and an ecology study center
  - o High adventure hikes (for experienced campers) and a rock-climbing program on a 44' tower.
- ★ Camp Meriwether is Cascade Pacific Council's oldest Summer Camp. Purchased in 1926 from the Chamberlain Family, Camp Meriwether replaced Camp Chinidere which burned down in 1925. Meriwether is located on the Oregon coast south of Cape Lookout with beautiful beach and cove.
